

HIGH PRESSURE WATER CLEANER

HL 105 B

ADVANTAGES

- High pressure portable pressure washer with powerful S1 motor (continuous duty) of 1400W and a maximum pressure of 105bar.
- Automatic Stop Protection System (TSS - Total Stop System). The pump automatically shuts off when the trigger is not pulled to prevent continuous damage to the motor and extend the life of the pump.
- Gun with safety lock switch to prevent unintentional use; quick connection to the hose.
- Water particle filter prevents dirt and unwanted particles from entering with the water, thus extending the service life of the machine.
- Sturdy wheels and carrying handle for maximum operating comfort.
- Includes fan lance to generate a straight line jet of adjustable intensity and area and a turbo lance to concentrate the maximum flow at a single point.
- Integrated soap tank.
