

## CORDLESS HEDGE TRIMMER

### ROSE L20

#### ADVANTAGES

- 18V cordless hedge trimmer, with a cutting length of 510mm.
- Great quality double sawing blade with 510mm of total cutting length, cutting up to  $\varnothing 15\text{mm}$  branches.
- 180° rotary handle with 5 positions (+90, +45, 0, -45, -90) to ease the job and adapt to every situation.
- STAYER Li-ion HIGH-TECH Battery, from the L20 Series with overload, battery discharge, overheating and short circuit protections. LED battery level charge.
- Lightweight and easy to use thanks to the double handle, 2.25kg no battery attached weight and a balanced design to reduce fatigue on long periods of time.
- Double action dual safety switch, hand shield and blade seath, to guarantee a safe work without unintended tool activations. If the user drops the tool, it will automatically switch off to avoid accidents.
- Optimal refrigeration for an improved heat reduction and increased tool lifespan.
