

ANGLE GRINDER

SAB 1101 CS

ADVANTAGES

- Angle grinder with 1100W motor, specially designed to be used with 2 hands.
- Elongated body with 28cm length without head. The two-handed grip provides greater stability and control when cutting and grinding.
- Constant speed system under load, the tool increases the power so as not to reduce the rpm when working on hard materials.
- Quick and easy external brush change for smoother operation.

Auxiliary handle
2 positions

Anti-sliding
Handle

External carbon brush
replacement
