

## ROTARY HAMMER SDS-MAX

### HD 40 BK

#### ADVANTAGES

1100W rotary hammer with SDS-MAX insert with 3 functions:

- 1- Rotary with percussion; for construction materials.
  - 2- Chisel for building materials.
  - 3- Vario-lock; regulates the position of the chisel.
- Electronic speed regulator to adapt to all types of work and materials.
  - Mechanical safety clutch to avoid twisting accidents if the bit gets jammed during work.
  - Constant speed under load thanks to integrated tachometer.
  - Soft start to avoid jerks and jolts when starting the tool. The machine reaches full power in 2 seconds.
  - VAT" Vibration absorbing technology handle. The hammer absorbs vibrations to facilitate long-lasting work.
  - Adjustable side handle.
