

ROTORBITAL SANDER RO 150 E

ADVANTAGES

- Rotorbital sander with powerful 450W motor and $\varnothing 150$ mm self-adherent plate.
- The rotorbital system makes the plate use a random orbit for sanding, which improves efficiency and finish on the material, eliminating circular marks by keeping the tool in the same spot for too long.
- Electronic regulator with 5 speed levels to adapt the tool to all types of materials.
- Self-adhesive plate with 8 holes for dust suction while sanding.
- Integrated dust extraction, the tool extracts the dust while working and is prepared for connection to an external Hoover.
- Ergonomic head and handles reinforced with rubber to reduce vibrations during sanding, facilitates long lasting work.
- Adjustable auxiliary handle for greater work adaptability
