

BAND SAW

SN 1735

ADVANTAGES

- Bench band saw with 1735mm saw blade for cutting all types of metal.
- 2 electronic speeds to adapt to the type of metal to be cut.
- High quality components for maximum strength and stability: arc and base made of cast aluminium.
- Powerful 2000W single-phase motor.
- Maximum control over the cut: the tool has depth adjustment.
- Quick release clamp made of cast iron.
- Adjustable tilting head from 0 to 45° for bevel cuts.
- Soft-start motor to avoid jerking and jerkiness.
- The tool has a locking mechanism for easy folding, storage and transport.
