

BENCH GRINDER/ BRUSH

Ø150 / Ø150 mm

ECP 150 B

ADVANTAGES

- Portable bench grinder, combined with wire brush, with powerful S1 induction motor (continuous duty), low noise and low vibration.
- Sealed ball bearings for long and quiet motor life.
- Robust compact design with cast iron construction.
- Safety switch for ease of start-up and quick stopping.
- The planer uses Ø150mm wire brushes.
- The grinder has a Ø150mm grinding wheel.
- Tool-free adjustable workpiece support for positioning the workpiece.
- Transparent protection against projections during the work. Protects the user from sparks, shavings and grinding waste.
- Anti-slip and anti-vibration rubber feet.
