

CORDLESS ANGLE GRINDER

AGR L20

ADVANTAGES

- 115 mm angle grinder with 18V battery.
- Paddle switch safety switch. When the switch is tripped, an electric flip system stops the disc in less than 2 seconds. This avoids possible accidents should the operator drop the tool.
- Safety clutch that reduces the reaction in case of jamming or stopping. This protects the user from being pulled in and injuring himself.
- Adjustable handle on both sides and on the head, narrow ergonomic grip, for greater comfort.
- STAYER Li-ion HGH-TECH, L20 battery with protection against overcharging, battery discharge, overheating, short-circuit. LED charge indicator.
- Optimal cooling system to reduce overheating and extend the time of use.

DATA SHEET

Lithium battery voltage	18 V
No load speed	8500 rpm
Battery charge time	Ø 115 mm
Disc diameter	Ø 125 mm
Spindle thread	14 M
Weight	1.8 Kg
