

CORDLESS DRILL / SCREWDRIVER / POWER DRILL

PBL 80 P - L20
BRUSHLESS

ADVANTAGES

- 18V battery-powered drill / screwdriver / hammer, with a large tightening torque of 80Nm and a powerful BRUSHLESS, brushless motor.
- Automatic metal drill chuck with 13mm safety lock.
- Clutch with 20 settings + 3 adjustment functions for tightening limit control. Torque limiter clutch, designed to release the gears in the event that the bit gets stuck, thus protecting the tool and the operator.
- 2 mechanical speeds for better torque.

Speed/Setting 1: Maximum torque up to 500 rpm for screwdriving, metal drilling, and hardwood drilling with large diameter bits

Speed / Configuration 2: minimum tightening torque and maximum speed up to 2000 rpm for drilling materials and soft woods, with small diameter drill bits, and for hammer drilling construction materials.

- Powerful brushless motor that increases efficiency, significantly reducing heating and considerably increasing motor life and battery life.
- STAYER Li-ion HGH-TECH battery, L20 with protection against overcharging, battery discharge, overheating, short circuit. Charging indicator LED.
- Convenient holding clip to hang the tool on your belt between jobs.
- Light indicator with LED in work area.
- Greater power
- Lower weight
- Longer duration
- Less breakdown
- Greater autonomy

DATA SHEET

Lithium battery voltage	18 V
No load Speed	0-500 / 0-2000 rpm
Percussion	0-7500 / 0-30000 ipm
Chuck capacity	1.5 / 13 mm
Wood drilling capacity	Ø 50 mm
Steel drilling capacity	Ø 16 mm
Perfect capacity masonry	Ø 14 mm
Torque	80 Nm
Tightening torque regulation	20 + 3 Positions
Weight	1.2 Kg

INCLUDED

-Auxiliary Handle.
