

SET 12 V SCREWDRIVER IMPACT DRILL + IMPACT SCREWDRIVER

PBL 122 DP K
ISL 122 D K

ADVANTAGES

- 12V battery-powered Drill / Screwdriver / Hammer.
- 10mm automatic chuck with safety lock.
- 18 tightening torque settings + 2 functions: Drill / Hammer Drill.
- 2 mechanical speeds for better torque.
- Speed 1: up to 400 rpm for screwdriver
- Speed 2: up to 1400 rpm for drill

- 12V battery-powered impact driver.
- 1/4" hexagonal insert for screwdriver bits.
- Aluminum gearbox for maximum lightness and strength..
- Both tools have:
- STAYER Li-ion battery, L12 with protection against overload, battery discharge, overheating, short circuit.
- Reversible, electronic speed control.
- Light indicator with LED in work area.
- Battery level indicator light

Cod. 1.3136

PBL 122 DPK ISL 122 D K

DATA SHEET

Lithium battery voltage	12	12	V
Battery capacity	2.0	2.0	Ah
Idle turns	0-400 / 0-1400	0-2300	min ⁻¹
Percussions	0-21000	0-3000	ipm
Battery charging time	60	60	min
Torque	28	100	Nm
Tightening torque regulation	18+2	-	Posiciones
Weight	0.9	0.9	Kg

INCLUDED

- x2 2.0Ah batteries.
- Charger for 2.0Ah battery.
- Injection case.
